

Drive Team 101

Do you (like many others) mourn the fact that you missed your shot at Formula 1 because you were never put in karting as a child? Fear not for FRC has the next best thing!

The following presentation provides an overview of YETI Robotics' drive team dynamics and requirements or more commonly known as the first steps to becoming our team's very own Max Verstappen.

Look out for more information in Discord on how to earn your own YETI Drivers License and try out for the position. 3506 offers any student a chance at Drive Team regardless of experience so we hope to see you on the field this season!
