

# Packing 101

"Coming to competition prepared is the first step you can take to be successful"

- Mukesh Ramanathan

While each year we have a different Pack List, it is important to have one to make sure you have everything at competition.

For reference here is the YETI Pack List for the year 2023:

And here is the YETI Pack List for the year 2019:

Please make sure you have one of these and confirm you have everything you need!
