Pit Crew 101

For the people who prefer a wrench to a controller, Pit Crew is the next best thing since sliced 5940. YETI Pit Crew members typically have the most experience in their respective subteam but roles are always open to tryouts! As always, keep an eye on the Discord for more updates ahead of competition. See you in the pits!

Linked Below is a comprehensive guide of what you may be expected to know at competition.

Pit Crew Guide

While most of this information is specific to 2025 Reefscape™, much of it can still help you prepare for competition.

Be sure to review the commonly asked questions and what you may need to know about your robot specifically!

Additionally, if you are on the Electrical Subteam for Pit Crew, please review Electrical Pit Crew Tips to make sure you know some basic "shortcuts" to preventing/addressing an issue.
