

# Electrical Template for Documentation

<https://drive.google.com/file/d/1hX2cgcBHF-MwaM-B19c196EsSkeuA8Ys/view?usp=sharing>

## NOTES

When using this template:

- Be sure that you are following FRC Electrical Standards
- Be prepared to have your Electrical Schematics reviewed by the team
- Make sure it is thorough and realistic
- Understand that each section has inputs based on the specificities of robot
