Welcome - What is this place?

YETI Wiki - FRC Team 3506's Resource Hub!

YETI Wiki is our one-stop solution for all things related to FRC Team 3506. This dynamic and free open-source documentation platform allows us to organize and store everything from marketing materials and build guides to team history and troubleshooting walkthroughs.

What Can We Store Here?

- **Documentation**: Judges' notebook, business plan, engineering notebook, build season logs, and more.
- **Marketing Materials**: Brochures, presentations, and promotional content.
- **Build Guides**: Step-by-step instructions and tutorials.
- **Institutional Knowledge**: Team history, best practices, and essential information.

So Much More:

YETI Wiki is designed to be accessible and collaborative, enabling multiple team members to view and contribute. Let's get our ideas down and make this an incredible resource for everyone!
